| Sept. 29 - Dec. 1 | Participation in the Teaching Artist Training, the Music Center's Basic training course where artists design and write a series of Six lessons, including an opportunity to present one lesson to peers. This course meets on Tuesday evenings from 5:30-9:00pm. |

#### 2010

- |                          |  |
|--------------------------|--|
| January - June           | Attendance in a minimum of 4 three-hour study group sessions led by Music Center staff and Master Teaching Artists.  |
| Study<br>The<br>research | groups occur on select Tuesday evenings from 6:00-9:00pm. The final study group will be a presentation of each individual project to teaching artist peers in a seminar format.  |
| Fall – ongoing           | Shadowing of experienced Music Center Teaching Artists working in the field in classroom residencies and professional development sessions in partner schools. This occurs during the school day, sometime between 8:00am-2:30pm, to be announced. |
| March - June             | Teaching of six developed lessons at a selected school site with   |

the Coaching, mentoring, and support from the Music Center. These lessons can be scheduled various days of the week during regular school day.

June Participation in a one-to-one evaluation session with the Director of Curriculum and Teaching Artist Development.
